

FUNKY QUILTS

Wrap yourself in all of your favorite t-shirts at once!

What can you do with all of those t-shirts just sitting in your drawer? Did your son or daughter participate in Destination Imagination? Are they in a fraternity or sorority? Getting ready to graduate from high school? Do they have stacks of t-shirts from a school athletic team, concerts, vacations, or 5K/marathon races? Not yet ready to give them away?

Making a T-shirt quilt is an imaginative, creative way to transform your laundry into a legacy! Let *Funkyquilts* create a lasting heirloom from your treasured T-shirts.

Subhead. Subhead.

When you're writing for a flyer, write it so that someone who has never heard of your company can understand what you're offering as quickly as possible. Stay away from using jargon, acronyms, or complicated terms.

If you're not sure what to write, make a list of "what we do" and then a list of "why our products or services are the best." Use that information to create your flyer.
